

The PGA Tour's TPC Sawgrass

Located in Ponte Vedra , Florida, The Tournament Players Club at Sawgrass is home to the annual Player's Championship, professional golf's richest tournament.

Completed in 2007, TPC's new 77,000 square foot Mediterranean styled clubhouse opened to rave reviews. With a spectacular view of the Stadium Course, the Clubhouse includes restaurants, pro shop, locker rooms and meeting and event rooms in a facility actually larger than the White House. Rich accents including a gracious curved staircase, oriental rugs, dark mahogany and imported stone have ensured the facility remains a popular venue for weddings as well as many other social functions. Travel and Leisure Golf Magazine rated TPC-Sawgrass one of the Top Ten Best Golf Resorts in the World.

Want to play the TPC Stadium or Valley Course? visit our golf section for information.

You may also tour the clubhouse, shop the pro shop, and enjoy a meal without being a member of TPC-Sawgrass. The Champions Dining Room is for members only. Nineteen and Traditions are currently open to the public. But not for long, membership is filling up. These restaurants have an expansive view of the golf course. For more information on dining at the TPC, see our dining section.
